

Credo Statement of WCAG Conformance

Date:

January 1, 2020

Site:

<https://search.credoreference.com>

Scope:

All pages at <https://search.credoreference.com>

Guidelines:

Web Content Accessibility Guidelines (WCAG) version 2.1

Relies upon:

HTML

Uses but does not rely upon:

JavaScript, CSS, PDF, PNG, JPEG, MP4/M4v, SVG.

Conformance:

Level AA

There is one exception to the conformance described above: Credo's videos do not contain audio descriptions, and thus fail Level A success criterion 1.2.3. and Level AA success criterion 1.2.5. As Credo is a content aggregator, video content in Credo comes from third party publishers; audio descriptions are typically not included with publisher content.
